

Dirty Old Town

[Verse 1]

I met my love by the gas works wall
Dreamea a dream by the old canal
I Kissed my girl by the factory wall
Dirty old town, dirty old town

[Verse 2]

Clouds are drifting across the moon
Cats are prowling on their beat
Spring's a girl from the streets at night
Dirty old town, dirty old town

[Instrumental]

(Key change)

C F C G Am

[Verse 3]

I Heard a siren from the docks
Saw a train set the night on fire
I Smelled the spring on the smoky wind
Dirty old town, dirty old town

[Verse 4]

I'm gonna make me a big sharp axe
Shining steel tempered in the fire
I'll chop you down like an old dead tree
Dirty old town, dirty old town

[Verse 5]

I met my love by the gas works wall
Dreamea a dream by the old canal
I kissed my girl by the factory wall
Dirty old town, dirty old town
Dirty old town, dirty old town
